

Kids' City Rally

Harbour quest

Düsseldorf
Live close Feel free

Cross the "Living Bridge"! On the other side, you will see a bronze figure. This is the Hans Albers sculpture dedicated to the famous actor. Look at it closely!

11. Which musical instrument does the figure hold in its hand?

- B** Guitar
- A** Harmonica
- R** Accordion

Now turn around and guess the length of the bridge.

12. How long is the Living Bridge?

- M** 150 metres
- F** 15 metres
- S** 5 metres

At the Handelshafen turn right now and walk in the direction of the Rhine Tower! At the end of the marina, you will find an important object that every ship needs. It was donated by the Marine Fellowship in 1887.

13. Which object can be seen?

- I** Ship's propeller
- E** Anchor
- F** Mast

Done! Walk around the Rhine Tower to get to the Landtag, where the rallye ends!

Solution

Due to their unusual shape, the Gehry buildings are also called

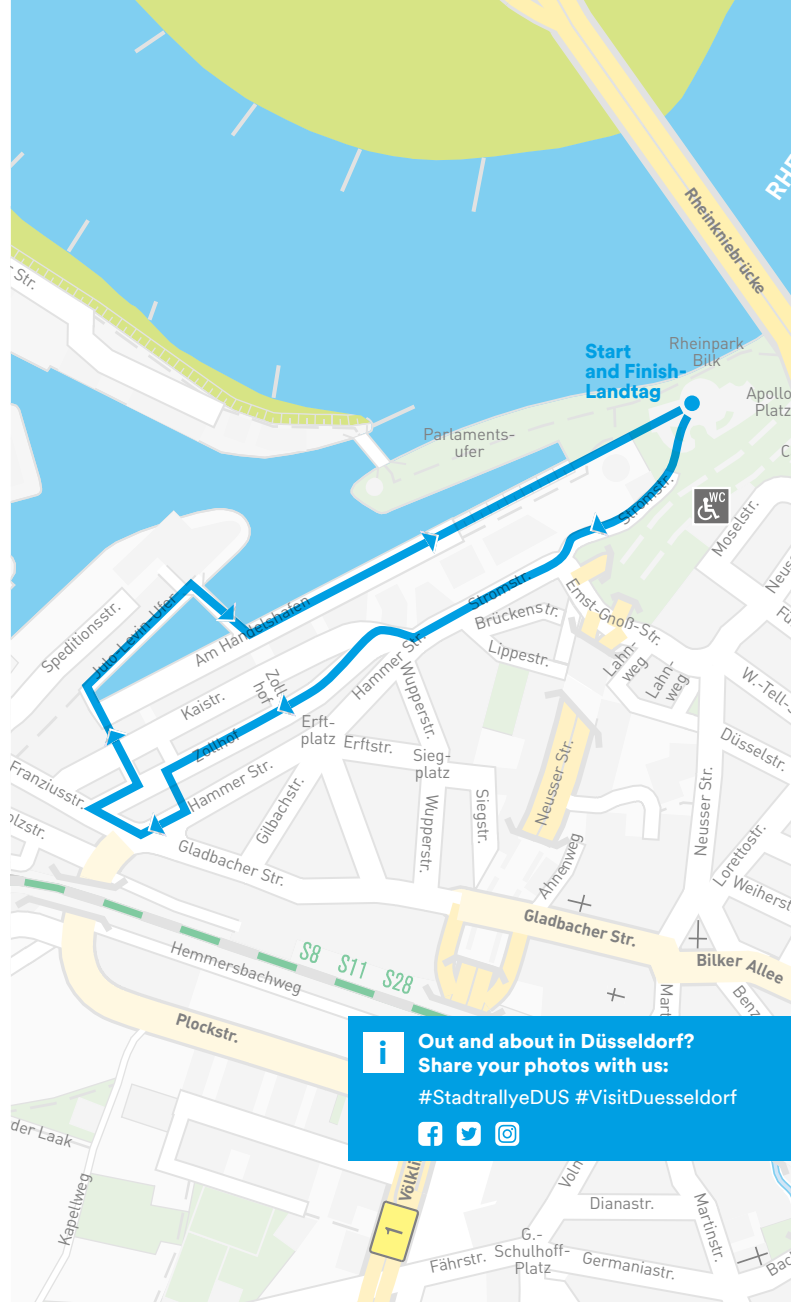

1	2	3	4	5	6	7	8	9	10	11	12	13
---	---	---	---	---	---	---	---	---	----	----	----	----

If you like to take part in our competition, please send your answers by postcard or email to:

The start and end of the rally is the Landtag of North Rhine-Westphalia.

Die Hafen-Rallye takes about 2 hours and is suitable for children aged 8 to 12.

On the following pages are 13 questions referring to Düsseldorf's MedienHafen. If you are able to answer all questions correctly you can take part in our competition. We wish you a lot of fun, good weather and luck with your tour of discovery through the MedienHafen.

You are standing in front of the Landtag of North Rhine-Westphalia (NRW). This is the seat of NRW's state parliament. It is here that laws such as the School Act are passed.

1. How many members do you think the Landtag has?

- D** 12
- T** 199
- R** 4.505

Now carry on to the Rheinturm (Rhine Tower); it is one of the most well-known landmarks in Düsseldorf! With a height of around 240.5m it boasts the "largest decimal clock in the world" that has actually made it into the Guinness Book of Records.

2. Find out the name of the rotating restaurant in the Tower!

- U** Wolke 7 (Cloud 7)
- S** Überflieger 240,5 (High-flyer 240.5)
- A** QOMO

Walk along Stromstraße now until you see the WDR building! Stand in front of the building and look up. You will see a round window with many panels.

3. How many panels can you count?

- N** 38
- E** 36
- I** 40

If you carry on leaving the WDR studios on your left you will get to the Neuer Zollhof. Here you will see three somewhat odd looking buildings. These are the Gehry buildings designed by the Canadian architect Frank O. Gehry.

4. What colour is the Gehry building with the sign at the entrance that says "Honorarkonsulat von Jordanien" (Honorary Consulate of Jordan)?

- O** Silver
- Z** Red
- M** White

On you go to the corner of "Zollhof/Kaistraße". Stop here and have a good look at the long building at Zollhof 2, 4, 6, 8. This is the "Grand Bateau".

5. What does the shape of this building remind you of?

- U** Train
- E** Boat
- L** Lorry

Opposite the "Grand Bateau" on the right is a building.

6. It is called the Haus der _____

Take the last letter for the solution!

Follow the Zollhof street until almost the end! On the right, you will find a map of "Der MedienHafen". Stand right in front of it, turn around and look at the building!

7. What was its purpose in former times?

Tip: Take a look at the map!

- A** Horse Stable
- D** Warehouse
- H** Prison

To your left you will see a passage. Go through it and keep to your right! Now you should stand in front of a cinema with the largest film screen in Düsseldorf and the longest escalator in NRW.

8. Which tram would be best to take to the cinema?

- E** 707
- J** 715
- X** 709

Continue to follow the route on the map until you get to a multi-coloured building, the "Colorium", at Julo-Levin-Brücke! It is the most colourful building in the MedienHafen.

9. Which of the following colour combinations is the right one that you can see on the building?

- G** Red, white, blue, yellow, black, orange, light yellow and brown
- L** Blue, light yellow, yellow, black, white, green, pink and red
- T** Black, blue, green, yellow, orange, red, light yellow and white

Walk towards the bridge! It is called the "Living Bridge". On your way, find the red brick building! This once was a silo used by the Lamers company. Stand in front of the building and look up! You will see a picture on which three men are carrying something.

10. What are they carrying?

- Ö** Charcoal
- Ä** Bricks
- Ü** Sacks of grain
