The Freiburg experience — Discover “your” Freiburg!

We are delighted to welcome you here to the Mediterranean south of Germany, where Germany, Switzerland and France meet, and we invite you to explore the many unique and special ways to get to know Freiburg, the Black Forest, Alsace and northern Switzerland.

Get swept away by our tour guide companies’ exciting and inspiring offers, and discover your very own, personal Freiburg!

The official partners of the City of Freiburg: These companies offer you a wealth of diverse tours with qualified, multilingual tour guides.

Regardless of whether you are a solo traveller or on the lookout for a group offer, are interested in a classic city and cathedral tour or would like to “actively” explore Freiburg whilst jogging or by bike, whether you want to be transported back in time by a dramatic tour, taste the region’s culinary delights, or find out more about the Green City Freiburg, the solar and environmentally-friendly city — here you will find a tour which fulfils all your wishes.

Encounter history and regional culture in all its diversity — for individualists in Freiburg and in the triborder region of the Upper Rhine — including visits to current events, e.g. exhibitions.

Unusual guided city tours with culinary stops. Adventure tour through Freiburg presented by Bärbele, in traditional Black Forest dress. The Rote Bur (a local farmer), leads parties on a wine sampling tour of the Glottertal.

A second look at Freiburg: guided tours of Freiburg and its districts that comply with Stattreisen Standards. Numerous themed guided tours. Excursions to the Black Forest and Alsace.

Guided tours for families, individual travellers and groups in Freiburg and border triangle in Arabic language. Needless to say we also assemble tours according to one’s wishes and are able to organize access to superb medical care as well.
