SPIEL- AND SAGENWEG

Hike with your children together with the "Brünsteinzwergerl" on the game and legend trail. In 7 story books those dwarfs tell you legends from here. There are also various play stations along the way. Cool refreshments at the mountain inn or at Wenger Stadl.

SESSELBAHN & SOMMERRODELBAHN

The 4-seater chairlift takes you comfortably from Oberaudorf to the starting point of the summer toboggan run at the middle station. 1100 meters of pure fun and the worlds first 360-degree super gyro.

CROSS-COUNTRY SKIING TRAILS

Out in nature on cross-country skis.

In our idyllic landscape and in the high valley Mühlau it is a pleasure to glide classically or skate on the cross-country trails already in the morning sun. Take a deep breath of the fresh winter air and enjoy the wonderful views of the snow-covered mountains.

For cross-country skiing you can enter the trails directly in Oberaudorf and glide or skate all the way to Niederaudorf. There are several routes with different lengths at your disposal - of course free of charge.

TOBOGGAN RUN

>> TOBOGGAN RUN HOHECK

Reliable tobogganing fun on Hocheck adventure mountain. The track is specially designed for tobogganing and sledding and is the only TÜV-certified winter toboggan run in Germany. You reach the entrance on a separate path far away from the slope and are therefore safe on your way. You are also welcome to simply take the 4-seater chairlift to the top. The almost 3-kilometer-long track promises a lot of fun and socializing for the whole family due to a steady downhill slope. Before you sled down to the valley, you can stop off at the Berggasthof Hocheck, the Wenger-Stadl or the Hirsch-Alm. A special highlight is the floodlight skiing and tobogganing with lift operation on certain days. The winter toboggan run is even illuminated daily in the evening. Toboggans can be rented at the valley station.

Starting point & parking:
Parking lot Bergbahn Hocheck,
Carl-Hagen-Straße 7, 83080 Oberaudorf
Tel. +49 (0) 8033 30350, www.hocheck.com

>> *NATURAL TOBOGGAN RUN BRÜNNSTEIN*

Whiz down into the valley on your sledge from the Brünstein. With a length of approx. 5.2 kilometers, the idyllic natural toboggan run on our local mountain, the Brünstein, is one of the longest toboggan runs in Germany. The two-and-a-half-hour climb is steep in places, but the view rewards your effort throughout. Once you reach the top, you can take a breather and enjoy a snack at the Brünsteinhaus before heading down to the valley in a dreamlike landscape. Unfortunately, the wonderful natural toboggan run is only suitable for children to a limited extent due to the degree of difficulty and the unsecured edge of the track and is completely unsuitable for smaller children.

Please inquire in advance about the opening hours of the Brünsteinhaus: www.bruennsteinhaus.de

Starting point & parking: Parking lot Mühlau, Mühlauer Straße
83088 Kiefersfelden, Ascent about 2.5 hours
