Your free travel pass

You will receive the KONUS Guest Card either digitally for your smartphone or as a paper card.

KONUS Guest Card

Discover the Black Forest using buses and trains

Environmental conservation and sustainable energy go hand-in-hand in the Black Forest, as demonstrated by around 150 KONUS locations with some 9,000 hosts offering the KONUS Guest Card. The KONUS Guest Card provides free rides on all public transportation buses and trains throughout the entire region. It is valid for 2nd class travel in all nine transport sectors.

► www.konus-blackforest.com

Plan your trips online

The electronic information on timetables in Baden-Württemberg (EFA) will offer the suitable current timetables of the local public transport system of busses and trains. Quick and easy to find under: ► www.efa-bw.de

General information about the Black Forest

Whatever you would like to know about holidays in the Black Forest:

Black Forest

KONUS GUEST CARD

BUS AND RAIL FOR FREE

KONUS free rides all over the Black Forest

Leave the car parked and ride buses and trains for free when hiking, making discoveries, or going shopping: All made possible with the KONUS Guest Card.
It provides free rides on buses and trains throughout the Black Forest - as often as you want and entirely free. It's the only ticket you'll need!

How do you get KONUS?

Register with one of 150 Black Forest holiday locations to receive your KONUS Guest Card when registering with your host. Note: Some types of accommodation (such as youth hostels and clinics) are exempt from the visitor tax and therefore are unable to issue a KONUS Guest Card. Be sure to ask your host about the KONUS Guest Card before booking.

How long is validity, and where is it accepted?

The KONUS Guest Card is valid throughout the duration of your stay for 2nd class transportation on all regional buses and trains from participating transportation providers, as well as on trams and buses in the cities of Freiburg and Karlsruhe.

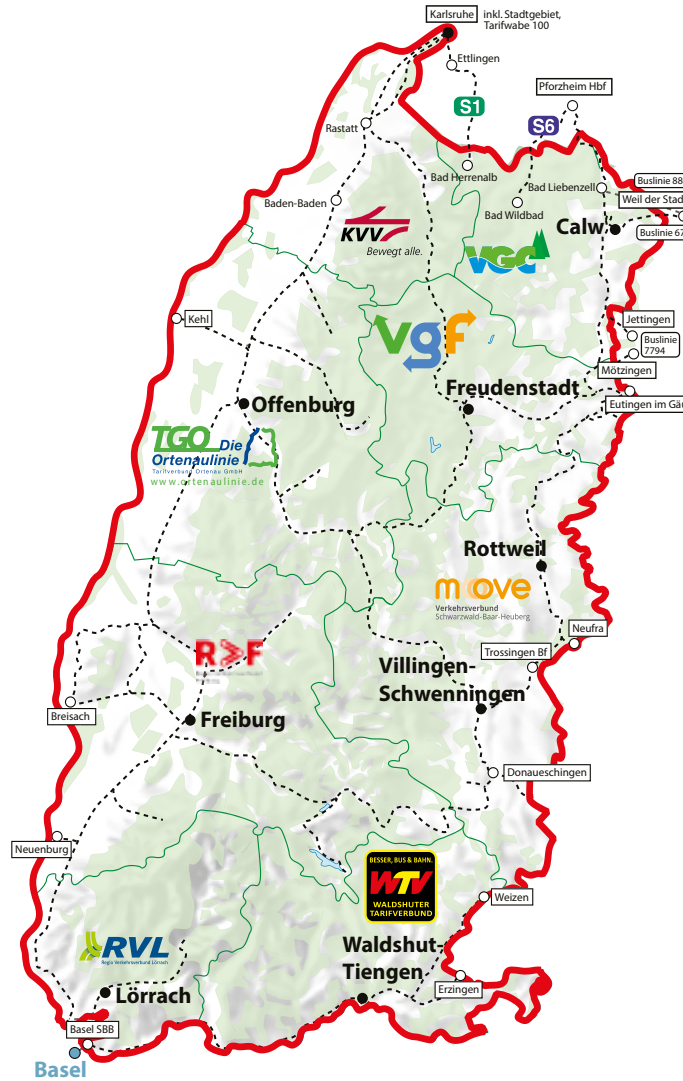

Note: Exceptions are ICE-, IC-, EC- and ECE connections as well as mountain railways and funiculars.

All information about KONUS:
